CONEY ISLAND ANNOUNCES RETURN OF SUPPLEMENTAL SANITATION SERVICES FOR AMUSEMENT DISTRICT

Coney Island, July 22, 2020 – The Alliance for Coney Island is happy to announce that supplemental sanitation services have returned to the Coney Island Amusement District for the remainder of the summer season. The supplemental sanitation services will help keep the area clean for residents, businesses, and visitors. With the help of a grant issued by Investor’s Bank through The Investors Foundation and funding from the Alliance for Coney Island’s board of directors, these supplemental sanitation services will be provided through Labor Day weekend and include sidewalk sweeping, trash bin bag replacement, and the cleaning and weeding of tree beds.

“We are grateful to the Investor’s Foundation and our board for supporting this critical quality of life initiative to keep the District clean. We hope cleaner sidewalks will make visitors feel welcomed into Coney Island and encourage them to visit the eateries and retail shops which are open for business after spending a day at the beach,” said Alexandra Silversmith, Executive Director of the Alliance for Coney Island.

“Investors Bank is committed to supporting the important work of the Alliance for Coney Island. The Investors Foundation is proud to provide funding to support the sanitation team and clean-up efforts in Coney Island.” Jennifer Smith, Community Development Officer, Investor’s Bank.
