The Alliance for Coney Island supports residents with programs and initiatives that make the area more vibrant, resilient, and livable. We aim to broaden our impact and ability to benefit the entire community through expanded engagement with you!

30+ FREE EVENTS

We strive to develop wide-ranging free public events, such as Friday Night Fireworks, Flicks on the Beach, the Children's Halloween Parade and more that stretch through the summer and deeper into the shoulder season for our residents!

REPRESENTATION & ADVOCACY

The Alliance consistently advocates for and organizes campaigns to improve services for Coney Island, such as restoration of the F Express subway and implementation of ferry service, among others!

WORKFORCE DEVELOPMENT

Through our partnerships citywide, we have expanded workforce development programs to connect Coney Island residents to gainful employment within the community.

ECONOMIC EMPOWERMENT

As part of our efforts to build a more empowered community and increase resources for neighborhood residents, we facilitate meetings for residents to lend their voice for an improved quality of life and economic development!

ENHANCED SECURITY

With safety of our residents being a top priority, we installed two security cameras along Mermaid Avenue to reduce undesired crime and improve public safety!

SANITATION & GRAFFITI REMOVAL

Since 2017, our supplemental sanitation team has worked diligently to collect over 29,800 trash bags thus ensuring a cleaner environment for our residents!

INFRASTRUCTURE IMPROVEMENTS

We closely monitor the progress of infrastructure improvements in our neighborhood and report unsafe and hazardous conditions to City agencies.

CONEY CARES & OTHER PROJECTS

Recognizing the importance of giving back to our community, we organize initiatives such as fundraising for the Breast Cancer Walk, Canned Food Drive and beautification projects!

Coney Island is not just an amusement park, not just a beach and boardwalk, and not just the last stop on the D/F/N/Q train. Home to over 50,000 residents, Coney Island is a vibrant, diverse and close-knit residential community that has shaped the neighborhood's rich culture and distinctive history.

The Alliance for Coney Island was formed in 2012 to provide a vehicle for improved collaboration among the many stakeholders in the success and continued rejuvenation of this iconic neighborhood.

Specifically, we introduce and implement initiatives for the betterment of our community at large with a focus on:

» Improving the quality of life for residents and businesses
» Establishing and enhancing community safety and cleanliness
» Advocating for improved services that are accessible and affordable to residents
» Mobilizing our community by organizing a wide range of events and community-involvement projects for residents
» Increasing access to employment and educational opportunities for local residents
